Re: Referral letter

Dear Prospective Customer of J&J Marketing Solutions,

I would like to share my experience with you in purchasing my 2003 BMW M3 from Jack Jalowiec.

Jack and his team were excellent partners to do business with, he accommodated off business hours so that I could have the car inspected by a third party since I live in North Carolina.

I had a few things that I asked Jack to have done for me which he accommodated and organized for me, and that were funded by me. He never once said enough is enough but was very accommodating and patient.

He answered all my questions appropriately and professionally, the car was better than promised. He selects very nice vehicles, and is knowledgeable on the products he sells.

The transaction was smooth no issues were encountered, and I would recommend or purchase a car from him again.

Best Regards
